## Exhaust Gaskets

Remflex gaskets work because they solve the two main problems associated with sealing an exhaust flange: warping, and gasket failure.

- Seals Warped Flanges
- Won't Burn Out
- No Re-Torquing Necessary

## Centerforce® Dual Friction

Performance matched clutch pressure plate and disc sets feature patented centrifugal weight system and specialized machining process that delivers a performance clutch with exceptional holding capacity and durability.

*Even though the Dual-Friction clutch is engineered for street use it can also be used in mild competition applications.*

DF021048 Mustang 1986-'93

DF271675 GM cars 1957-'86

Check Parts Pro store for all specific applications.

## Street Bandit 2 Torque Converters

**NOW AVAILABLE!**

Stalls 3200-3600 RPM, perfect for street/strip applications. Features industrial grade bearings and welded fin construction.

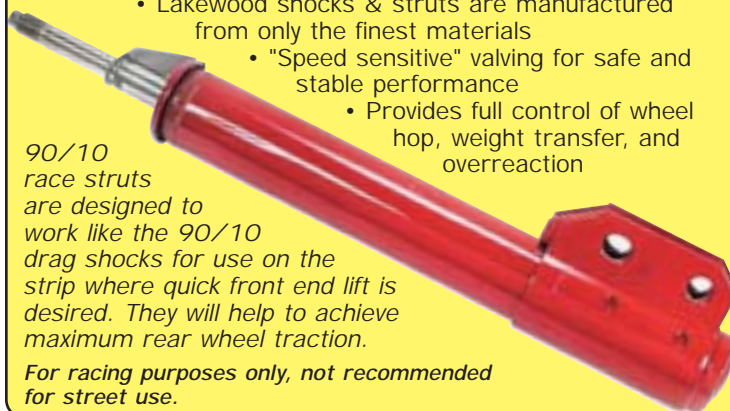

## Racing Shocks New Technology - Even Better Performance!

- Lakewood shocks & struts are manufactured from only the finest materials
- "Speed sensitive" valving for safe and stable performance
- Provides full control of wheel hop, weight transfer, and overreaction

90/10 race struts are designed to work like the 90/10 drag shocks for use on the strip where quick front end lift is desired. They will help to achieve maximum rear wheel traction.

For racing purposes only, not recommended for street use.

## Pro Stick (without cover)

Customize your Pro Stick application with your own cover, or with one of our Pro Stick accessories for a custom install, or if you want to shave that last ounce of weight from your racecar. Comes with 5' Super Duty race cable

80701  
Pro Stick  
w/o cover

### AAM PARTS PRO POLICY ON ADVERTISED ITEMS

Products in this flyer are selected in advance of this sale. If a product is temporarily out of stock, we can issue a RAIN CHECK to buy the item at the sale price when available. Some products are not available at all AAM Parts Pro stores. Freight charges are not included in the price of factory special orders. AAM Parts Pro disclaims any responsibility for print errors in this flyer as to specifications or price. Coupons cannot be used in conjunction with sale items. AAM Parts Pro reserves the right to limit quantities.
